To Whom It May Concern:

During this Holy Month of Ramadan, Muslims all over the world observe their fasting for 30 days on a lunar calendar. There are a few days in this Holy Month that are very special to Muslims all over the world.

- **Eid ul Fitr – (Friday, September 10th 2010 according to the lunar calendar that the Muslims follow).**

This day marks the end of the Holy Month of Ramadan, and all Muslims have to gather on this day to offer Eid Day Prayers.

On Behalf of the members and their families, the Managing Committee of the Islamic Jafferia Education Center requests that on this day, the students in the school systems be excused from their daily activities to join the rest of the community in Religious activities at our center.

Therefore, we will appreciate your support by marking this day off for religious activities and not as a day missed from school.

Your continuous assistance and understanding has been highly appreciated by the members of our community.
